Response to Special Notice Letter

Dear Dr. Evison:

I write in response to the Special Notice Letter sent to Cooper Industries, Inc., which I received on June 13, 1995. As I indicated to Steve Mason, of the Office of Regional Counsel, on September 5, 1995, Cooper Industries cannot make a good faith offer to perform the work at this site. However, Cooper is willing to continue to participate in discussions with U.S. EPA if the Agency decides to issue unilateral orders to some or all of the parties that received special notice letters.

Please do not hesitate to contact me if you have any questions, or if you wish to discuss this matter further.

Very truly yours,

Cei\Price

Counsel, Environmental
